CONDITIONS OF ENTRY

1. The maximum entry per member is four each of projected images (digital or slides), monochrome prints, colour prints or small prints.
2. Entries will be accepted only from resident Tasmanian members of clubs affiliated with the Tasmanian Photographic Federation.
3. Each entry will be awarded points to a maximum of 15 by each judge with the aggregate of 4 projected images or prints to decide the Photographer of the Year. In the event of a tie, the Projected Images or Prints will be submitted in sets of four for re-appraisal.

5. Unless otherwise specified, permission to reproduce pictures is assumed.
6. Entry fee is \$4 for one section, plus \$2 for each additional section.
7. Completed entry forms and fees must accompany each entry.
8. No entry shall have won an award in the previous TPF Photographer of the Year competition.
9. All care will be exercised with both prints and slides, but no responsibility will be assumed for loss or damage of entries.
10. All entries must be the work of the entrant.
11. Prints may be mounted or unmounted, the maximum size of either to be 50 x 40 cm (20" x 16"). Minimum print size is 500 square cm (80 square inches).

12. Each print and slide must bear the name and address of the entrant together with a title to correspond with the details given on the entry form. Slides must be spotted in the bottom left hand corner when viewed in the upright position.

13. Entrants are requested to provide a digital rendition of each print and slide entry in the size and format specified for digital projected images. Entrants are to comply with this request in all but exceptional circumstances.

SMALL PRINTS

The max size is governed by the area rather than the configuration and is set at 54 sq inches. This means that 6" x 9" and panoramic prints up to 54 sq inches are both eligible with other sizes which are under the maximum area allowed. Prints may be either colour or monochrome.
